### “God’s Multi-colored Grace”

*“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.” (I Peter 4:10)*

God’s grace is “tailor-made” for each person who comes into His presence. Peter is speaking of God’s “varied” grace. The word he uses literally means “many colored” or “multi-colored”. It is tailored to fit each person in each situation. It doesn’t come off the rack in one size designed for everyone.

My mother tailor-made many of her children’s clothes. Each one had different needs and she was an expert seamstress who knew just how to meet our needs. God’s grace is like that. It is designed to fit specific needs in specific circumstances. The needs of the rich are different from the needs of the poor, and the needs of the elderly may not match the needs of the young. Some struggle with sins of disposition and others struggle with fleshly desires. Still, God designs His grace to meet us where we are.

Peter says we are “stewards” of God’s grace (KJV), which means that He expects us to “administer” that grace to others. The grace of God is dispensed through His servants. What does that mean? It means that He depends on us to see that others are able to receive His grace. Anyone who has a need should find the fulfillment of that need in us. If someone needs to know the message of the cross, we teach him. If he needs encouragement, we encourage him. If he needs help financially, we relieve that need.

God’s grace is custom made grace packaged for specific persons with specific needs. It is up to us to deliver the “packages” to those God has chosen to receive that grace. Having delivered that grace to us first, He now expects that we will pass it on to the proper recipients. Let’s not be guilty of non-delivery.
